Subject: Italy Countdown

[REDACTED] **Ex. 7(c)** has asked me to reach out to all the key players in the advance for Rome. We would like to present a security briefing - what can be expected with regards to security needs during the trip - specific concerns - as well as for the team back here in the states which would be responsible for making any changes to the schedule.

He inquired about your availability on Wednesday. A quick review of the Administrator's schedule seems to have him in his office from 2pm thru the end of the business.

Let's all chat and maybe we can find about a 50 minute window.
